**TOWERHUNTER OPENS EAST COAST OPERATIONS; EXPANDS
EXPERTISE & CLIENT SERVICE**

(Phoenix, Arizona – April 23, 2004) – DuffyGroup, Inc. renowned for providing innovative solutions in the areas of executive search, mid-level management recruiting, and human resource contract services has announced the appointment of Stanley H. Davis as Executive Vice President for the firm’s **TowerHunter** organization.

“Mr. Davis will oversee TowerHunter’s search practice in the eastern and midwestern U.S., and will lead the firm’s human resources and organization business consulting for its executive clients,” says Kathleen Duffy Ybarra, DuffyGroup founder and president. “He has led and overseen executive searches for numerous businesses. He has also provided counsel to CEO’s and their staffs, building aggressive people strategies to significantly improve corporate performance.”

Earlier in his career, Mr. Davis held numerous management positions in the steel industry and at General Electric and served as Vice President and Senior Vice President of three venture capital owned businesses. He was the Corporate Vice President for Huff Corporation where he led the talent and organization planning for the Corporation and its portfolio of service and consumer products companies. Prior to joining TowerHunter, he served a two year engagement as Senior Vice President and Chief Human Resources Officer for the American National Red Cross in Washington, D.C.

Mr. Davis has been active in his communities, including service as Board President of Haven of Schenectady (NY); Board Member for Hospice of Schenectady (NY); Co-Chair of the Rhode Island Governor’s Health Care Reform Commission; Member of the State Employee Pension Reform Commission (RI); and Board Member for the Center for Non-Profit Resources (OH).

“Stan’s appointment as Executive Vice President for our TowerHunter organization brings added energy and business expertise to our eastern and midwestern executive search clients,” adds Duffy Ybarra. “In addition, he will provide our clients with consulting services to address business opportunities with the right people and organization solutions.”
